PATENTED

2K CLEAR COAT

HIGH COVERAGE **STRONG BOND** **VERY HARD** **PETROL RESISTANT**

MATERIAL

HARDNESS

CAR-REP® 2K is crystal clear & extremely durable. The 2-component polyurethane compound forms a chip and UV-resistant film that is chemical resistant. It is easy to apply and immediately forms a deep and shiny surface without the risk of dripping. Car-Rep® 2K PU Clear Coat can be applied over solventborne and waterborne basecoats. The drying time can be boosted with shortwave infrared or baking. Can be applied outside spray booths, which is time and cost-efficient.

- Revolutionary long potlife with WISE 2K™ technology: Whole product can be used with no wasted paint
- Always ready-to-use: No activation required
- Chemical and UV-resistant
- Crystal clear, Extremely durable & scratch resistant.
